Harness
Shown #38053

PBH06Y

Rescue Safety Harness

Technical Data Sheet

Designed for comfort, the Checkmate PBH06 rescue safety harness range is the perfect fall and rescue harness solution. The harnesses are ideal for confined space use.

Series harnesses are fully adjustable and available in 3 sizes to ensure a comfortable fit. Certified for use up to 140kg, the harnesses can be safely worn with tools and equipment. The harnesses feature water repellent contrasting webbing, dual impact indicators, velcro label cover and adjustable shoulder and leg straps.

Available options include shoulder pads and quick-connect or pass-through buckles.

Key Features

- Rescue Yoke / Strop
- Dual lanyard keepers
- Rubber web keepers
- Removable shoulder padding
- Water-repellent contrasting core webbing for easy inspection
- Dual impact indicators
